

THE SCHOLARSHIP AND COMPUTER GRANT

The Salisbury Historical Society is pleased to offer The Scholarship and Computer Grant to two outstanding Salisbury students.

The traditional Scholarship grant is in the amount of \$5,000. Any student may apply who attends a public or private school, or is home-schooled, is a Salisbury resident and is a graduating senior attending college in the fall.

The traditional Scholarship program has grown to also include a grant of a computer with monitor and printer to an outstanding 5th grade student from the Salisbury Elementary School.

Please contact the Salisbury Historical Society for more information regarding applications and deadlines.

Scholarship and Computer Grant funding is separate from Historical Society Membership dues and operational funds. Contributions from many generous private individuals, corporations and organizations have helped the Historical Society to continue this fine tradition and we thank you for your generosity.

Many thanks to Dr. Paul LaRaia of Salisbury and many others who have worked tirelessly to solicit support for this program from many sources including outside of our town.

Special thanks to the generous contributors of the 2011 SHS Scholarship Program.
