

THE SALISBURY HISTORICAL SOCIETY'S SOUPER BOWL

Mary Phillips (left) reviewing materials with Karen Sheldon

Special thanks to the Salisbury Fire and Rescue Explorers who assist us by setting up and removing tables, chairs and materials and helping us to make this event possible.

The Souper Bowl formally kicks off the Historical Society's busy season in early spring. Volunteers gather in the Town Hall under the direction of Mary Phillips, Curator and Museum Director, to examine the Society's documents, maps, inherited photo albums, old newspapers, antique garments etc. Decisions are made as to the best ways to repair or organize and preserve them for future generations. The workshop culminates with a luncheon of homemade hearty soups.
