Old Business: The gates at Mills Cemetery has been repaired at a cost of \$545.00. All cornerstones that were on hand have been placed at the appropriate grave sites. The gate at the Congregational Cemetery needs to be put in place. However we need a backhoe to place the posts that will hold the gate. Cutting brush at Fellows Cemetery will be done before we are able to put up the new fence.

New Business: There are a few branches at Mills Cemetery that need to be taken down. At this point they pose a danger to some gravestones.
