Budget \$1500 left that we haven't spent

John informed the group that there are still a few more invoices that will need to be paid from the chicken BBQ.

New Business:

Citizen of the Year Voting: Brett said he thinks we should keep this the same with Citizen of the year voting taking place at the March Meeting Day as we had a lot of participation. Jennifer agreed as well and added that she thought she could also take in email votes the two week prior for those that do not want to vote that day. Jennifer made a motion to keep C.O.Y voting the same with a two week prior email vote as well. John seconded. All voted in favor; motion passed.

Jennifer Hoyt brought up that there have been multiple people in the community asking about Fireworks. She asked if the committee would think about taking this on. Brett walker said that it would be a big undertaking and that we would have to do additional fundraising. He also suggested that Old Home Day make a sub-committee to spearhead the effort. Brett also said that the Fire Department would be busy on Saturday's old home day and if they were still going to host the fire-Fighter muster on Sunday that it would be too much to ask for them to also help with fireworks on Saturday or Sunday. Jennifer asked if he thought that they would still have a muster next year because this year's did not have a good turn out with competing departments. Brett said he did not know. Jennifer stated that perhaps if we could host the fireworks that it could be on Friday night after the Car Show. Jim Hoyt thought this was a good idea and he would be willing to help form the s-committee to help get the fireworks for 2023. Jennifer said that he would need to reach out to Atlas to see if we could plan the date & get on their schedule. Jennifer also said that she would ask the community if they would like to become a part of this effort on the OHD Face book page. Jennifer made a motion to look into having OHD do the fireworks for 2023 Friday Night after the car show.
